The screenshot shows a presentation software interface with a slide design tool on the left and a properties panel on the right.

Slide Design Tool: The main area shows a slide with a grid background. A rectangular area is outlined in red, containing a text box with the text "3번 아이템". The top toolbar includes various icons for editing and navigation. A horizontal ruler at the top shows a scale from 0 to 400.

Properties Panel (오브젝트 리스트): The right panel displays the object list and properties for the selected slide.
